

HCVAC HIGH CAPACITY VACUUM SYSTEM

**33% LARGER CAPACITY!
40% MORE POWERFUL!
LESS NOISE!**

The NEW HCVAC has a large 7-gallon capacity filter with a quieter, more powerful motor. This cost effective solution is designed for the user working with high volumes of fine dry particle debris. The HCVAC is perfect for in-house servicing by Copier/Printer Technicians, Laser Cartridge Remanufacturers, and Abatement Cleaning Contractors.

The HCVAC comes with standard 0.3-micron, 7-gallon, resealable, disposable filter canister. A 7-gallon true HEPA filter canister is also available.

Each HCVAC comes complete with a disposable filter, 10 foot crush proof hose, 16 inch flexible wand, crevice tool, crevice tool brush, footswitch and freewheeling canister base.

FEATURES

- Convenient, freewheeling, detachable roller base
- Larger capacity, "NO MESS" filter
- Ideal for large volumes of toner, soot, or dry chemical spills
- Includes footswitch*, tools and 10' hose
- True 7-Gallon HEPA filter available
- ESD Safe Vacuum and Utensils
